#### Expectation Assemblies

I enjoyed meeting with each grade level of students last week to welcome them back to school after winter break. During our grade level expectation assemblies, we reiterated Mr. Anderson's expectation for the children: "In everything you do, do your best." In addition, I talked about the importance of us getting "smarter and smarter" each day. The younger children giggled at the thought of their brains growing, and the older students and I talked about what it means to be a "better version of yourself" each day. I also shared my philosophy and expectation that "at Palencia Elementary, we all take care of each other". The resource teachers and paraprofessionals helped me act out real life examples of what this might look like at each grade level. Assemblies were concluded with individual recognition of each student meeting their Accelerated Reader goal for this quarter.

Have a great day,
