Curriculum Chats

Please plan on attending Curriculum Chats this week. This is a time for the teachers to share important information with you. This is also a time to sign up for a parent conference (at a later date) if you would like to talk to the teacher individually. Also, we ask that only adults attend this evening. If you have multiple children and have to decide which grade level to attend on one night, I recommend the older. Thank you and I look forward to seeing you on the following evenings from 6:30pm until 7:30pm:

Tuesday, Aug. 22 - Kindergarten, 1st and 2nd Grades

Thursday, Aug. 24 - 3rd, 4th and 5th Grades.

BYOD - Bring Your Own Device

Currently we are using our computers to get us through our first window of testing. Once we are ready to have everyone bring in their laptops and iPads we will have a coupe evening events to assist families in setting up the devices so they work on our network. More information to come.

Reminders - Below are a few reminders, please review them. Students should only arrive on campus after 8:05 am. While we are here working, our staff hours do not start until 8:00am. There is no one here to monitor our students until 8:05.

Have a great week,

Captain Allen Anderson

Calling all Volunteers

During the next few weeks we will be testing many grades.

We need your help proctoring in the classroom. These are short tests lasting about 40 minutes. No teaching experience required. All we need is an extra set of eyes in the room while testing is going on. Testing starts at 9am. Please remember that you must be an approved volunteer and you are not allowed to proctor in your child's grade level. We appreciate your help and are very thankful for it.

PES Loves Our Volunteers!!!!

Signup Genius will be sent out as test dates approach.
