Enrollment  
for 2015-16  
School Year!**

## A Different Kind of Extended Day Program

We think that your child deserves to have an afternoon of fun, exercise, social experiences and academic enhancement. For that reason we enjoy bringing the magic of our Summer Camp experience to our After School programs.

Your child will have a series of rotations through the afternoons including sports activities, art, science experiments, cooking, and homework assistance.

Our staff is qualified and has received high praise from both parents and Palencia Elementary administration.

**After  
School

## Third Party After School Enrichment Programs:

We know that there are a host of activities you would like your child to either try or be actively engaged in – but, how can you find the time to get them there? Easy – We negotiate a wide variety of enrichment programs and are able to offer these additional programs through third party vendors. Already planned for the 2015-16 School Year are the following:

**Tuesday:** Shinsei Karate # (904) 392-9005 [www.shinseikarate.org](http://www.shinseikarate.org)

**Wednesday:** Zumba for Kids # (904) 540-3555 / Club Scientific - [www.stjohns.clubscientific.com](http://www.stjohns.clubscientific.com)

**Thursday:** Bricks 4 Kidz [staugustine@bricks4kidz.com](mailto:staugustine@bricks4kidz.com)

**Friday:** Drama Kids # (904) 257-5752 [www.dramakids.com/fl3](http://www.dramakids.com/fl3)

*We are also working on partnerships with a dance company, a piano teacher, a soccer program, and a sewing program. All or some of these may become a part of our schedule for the 2015-16 School Year. Please check back for more information coming soon.*

If your child is already registered in the Extended Day program you are free to sign them up for any of our enrichment offers. If your child will not be attending Extended Day regularly they can still sign-up to attend any of these programs by filling out the necessary paperwork and paying a \$25 enrichment registration fee to Palencia Extended Day.

## ABOUT PALENCIA MONTESSORI ACADEMY

Babette Weaver, one of our founders is also the founder of The Village Academy in St. Augustine. The Village Academy has been in business for over 30 years as a preschool, after school program, and also has a fantastic school aged camp program each summer. The Village Academy has consistently won “Best of St. Augustine” year after year. Babette and Curt Weaver also launched Village Academy *North* in North St. Augustine in 2006 and Palencia Montessori Academy in 2012. Palencia Montessori Academy will be expanding for the 2015-16 School Year and we are excited about the purchase of our new facility.
