Hello Parents,

If you have not yet done so, please take a moment to sit down with your child and review his/her report card together. Yesterday, I was speaking with one of our older students about his grades and was asking him what academic goals he had for himself. I was surprised when he told me he didn't know what his last report card grades were and that he never saw his report cards. Elementary years, of course, are the foundation of a lifetime of learning. It's not too early to begin and sustain a dialogue about what it means to have a focus and work to achieve greatness.

Next week, I will meet with key county, sheriff's department, and school district personnel to discuss the traffic at morning drop off and afternoon pick up. I am hopeful that the team will generate workable solutions that can be put in place in a reasonable amount of time. Do you have suggestions you would like for me to share? Please email me directly: [Catherine.Goodrich@stjohns.k12.fl.us](mailto:Catherine.Goodrich@stjohns.k12.fl.us) and title the email "Traffic suggestions".
