THE CAPTAIN'S LOG

Ahoy Palencia passengers and crew,

I hope everyone enjoyed M.L. King Jr Day. As we move forward in the coming weeks, there are two more 4-day school weeks prior to Spring Break. Just as a reminder Feb. 3rd is an In-service Day and Feb. 17 is President's Day. I hope you and your family are able to enjoy these long weekends.

Speaking of the In-service Day on Feb. 3rd, our teachers will be provided a special training based on technology and the digital conversion. One of the topics will be our **new email system**. The district is converting to a new system and we will be one of the first schools to make the change. Three other schools have piloted the conversion and have done so successfully. With any change there is the potential for some complications. Please be aware that we are scheduled to make the change within the next few weeks, so please be patient. Furthermore, please advise us if you experience any issues in email communication.

Safety First - During morning arrival and during afternoon dismissal, we have several families that are walking in the flow of traffic. Although it is convenient to park as close as possible to the school, but it is only a few more steps to keep your children safe. If you are entering the building, please park in the lower parking lot or facing the road and use the sidewalk to enter the building. By using the sidewalk, children will remain safely away from moving cars.

Do you like to run? How about walking? The **Character Counts! Run** is coming up. I hope you will join us as we walk/run through our communities. There is a 6K and a 3k available. This is a great time to stretch those legs as you are preparing for the River Run or just to go for a walk with friends.

Does your child know how to play Chess? Beginning in February we will have an after school **Chess Crew**. This initial club is only for students that know how to play, our goal is to have a crew in the future that will teach students how to play. If you would like to help with this group please contact me. If your child is interested in playing, please have them pick up a permission slip from the front office. Space will be limited! Join me in congratulating our newest members of the Principal's Math Challenge. Our newest **Math Mateys'** are *Emily Walczak, Gabby Sartori, Abhishek Kundalia, Bailey Wise, Christopher Kinsey, and Emily Bradshaw* who passed a grade level above her. Congratulations!!

School News

It's time for our **Jump Rope for Heart Event!** Over the next few weeks, your children will learn about their heart health, practice their jump rope skills, and they will have the opportunity to give back to the community while helping to earn PE equipment for our school.

To celebrate our Jump Rope for Heart, all students will get to participate in some fun jumping activities during their PE classes from Feb 4th – Feb 11th! Please come join in the fun I know your children would love to show off their skills.

The donation envelope your child is bringing home is an invitation for your family to participate in this important fundraiser and discuss the impact of heart disease. Please ask family and friends to support your child's participation by making contributions. Checks should be made payable to: American Heart Association. We ask that children not go door-to-door or ask strangers for donations.

We encourage supporters to donate online at www.heart.org/jump. Help your child send emails to friends and family and include a message about why he or she is participating. You can also send an e-card through our new system. It is fun – get online and check it out!

All Envelopes and Online Donations are due by Friday February 14th.

If you would like to ask any additional questions or would like to volunteer to help make this event a success, please e-mail Mrs. Brougham at broughj@stjohns.k12.fl.us or sign up at www.SignUpGenius.com/go/60B0544A9AD2DA02-jump2/2726626.

Palencia Elementary and the American Heart Association thank you and your child for your support.

The SJCS D, along with area businesses, youth organizations and civic groups, selected the national character educational program of CHARACTER COUNTS! as a countywide initiative to instill positive character traits in young people throughout the county. Additionally, the SJCS D became the first school district in Florida to implement Pursuing Victory with Honor in all of its athletic programs. Character education is an important part of every School Improvement Plan and a major component of the Student Code of Conduct and the school district's Strategic Plan.
