Out of Zone Hardship

If you have a child on an approved 2015-16 Out of Zone Hardship, this waiver will expire at the end of this school year. At that time, your child will be reassigned to your zoned school for the 2016-17 school year. If you would like your child to remain at the out of zone school he/she is currently attending, you **must apply for an Out of Zone Hardship waiver again.** The transfer request process will begin on **February 12, 2016**. You will have until **April 30, 2016** to submit your request. The sooner your application is received, the sooner your child's class schedule for next school year may be completed. The application is available in both an electronic version (available February 12th on our website) and a paper version. Both applications and the directions for the process can be found on our district website at:

Jump Rope for Heart

It's Jump Rope for Heart week at PES! Students will work out their hearts as they work on different jump rope skills this week in all PE classes. Volunteers are welcome to join in the fun. Our fundraising for The American Heart Association is going extremely well with our Pirates raising \$5,500 to date. All donation envelopes are due by Friday, February 12th. Thank you gifts will be ordered at that time and participants should receive their prizes within 6 weeks. We thank all PES staff and families for their support of this program.
