Traffic Change

I am asking all families to read this announcement, but it is especially important for those that use the front entrance for morning drop off. With portables coming to our campus next year, we are going to adjust our morning drop off.

When we return from Spring Break we are going to run a traffic pattern trial that we would like to implement for next year. The dividers that have been installed as you enter the cafeteria parking lot are a part of this plan.

In the morning, students will exit vehicles in front of the cafeteria entrance. Parents will then be directed to make the 's' turn to the roundabout and exit our campus.

If you are simply dropping students off in the morning, you will not need to drive around the front of the building. If you are dropping off your child and you need to come inside, we are asking that you follow the same pattern but drive to the front of the building to park and enter. We have spoken to the PSA about this and how it will affect traffic. Please know we will be monitoring the impact to Palencia Village Drive.

Ahoy Palencia Passengers and Crew Traffic Change Continued...

Our hope is to make morning drop off safer for our students and reduce the time it will take a student in a portable to get to class next year. I understand this may be confusing as it is hard to picture unless you are looking at the traffic patterns. We will have staff directing traffic to help as we implement this new traffic pattern. **-Afternoon Pick Up Will Remain The Same-**.
Thank you for your understanding.

2016-2017 PES SPIRIT WEAR SHIRTS

*For the safety of our students, I would highly encourage all Palencia Elementary families to follow the school's recommended dress code. As our school is a very open campus, safety is a primary concern. Having all our students in the same color will greatly increase the safety of your child. Thank you for your consideration and cooperation.
