### Bragging On Our Teachers And Students

This past Saturday PES hosted EdCamp St. Augustine. This is the third year for the event. We had over a hundred teachers from all around Florida and a few other states in attendance. A few of our teachers did all the work to organize and set up this (un)conference.

Teachers in attendance take their Saturday and pay all their expenses to attend this conference to learn and grow as teachers. One of the highlights was a group of our students that were invited to attend and give their perspective of school life and learning. Our students stole the day as they guided tours of our school. We are very proud of our staff and the commitment they have towards education.

Have a great week,

*Captain Allen Anderson*

### 2016-2017 PES SPIRIT WEAR SHIRTS

\*For the safety of our students, I would highly encourage all Palencia Elementary families to follow the school's recommended dress code. As our school is a very open campus, safety is a primary concern. Having all our students in the same color will greatly increase the safety of your child. Thank you for your consideration and cooperation!
