Ahoy Palencia Passengers and Crew Highlights Of The Week

-There is no school this Friday -

We hope you & your family have a great long weekend.

- **FSA Assessments**
- **PTO Needs YOU**
- **SAC Survey Responses**

FSA Assessments

Today 5th Grade took the Math FSA. This continues a long season of testing throughout the spring. As different groups are testing, we will close certain decks for volunteers. Teachers will be communicating this to their volunteers. Please help all our students by having your child arrive on time so they can begin the school day in their classroom by 8:30am.

PTO Needs YOU

PTO is in need of Board members. We are currently looking for several positions to be filled for next year. If you are interested, please reach out to one of the contacts from the [PTO website](#). This is a great opportunity to become involved in your child's school.

SAC Survey Responses

For the next couple of weeks, we would like to address some of the items addressed in the SAC Surveys. The SAC members reviewed the surveys at yesterday's meeting. Some of these topics are a result of that meeting.

Why does the school have a recommended color of the day for how our students' dress?

PES is a unique facility in that we are not totally enclosed. We are fortunate to be able to share space with the community. Without this ability, we would not have place for our students to play and it helps us create the community feel we desire as a school. As others use this space as well, we ask our students to dress in the color of the day to assist with the identification of our students. This is particularly important at the beginning of the school year as teachers are getting to know their classes.

School Safety

Each question receives a score based on the responses. We are happy to report that the question receiving the highest score had to do with school safety. I am thankful that our community feels that their children are safe while at school. Please know that we will never become complacent in this area and your child's safety is always at the forefront of our minds.

Have a great week,

Captain Allen Anderson
