FSA Assessments

This week is 3rd grade's turn. This will continue tomorrow. Again thank you for having your child arrive to school in time to begin the school day in their classroom by 8:30am.

SAC Survey Responses

For the next couple of weeks, we would like to address some of the items addressed in the SAC Surveys. The School Advisory Council reviewed the surveys at last weeks meeting. Some of these topics are a result of that meeting.

There was a question concerning Character Counts and Honor Roll Assemblies. We do honor students who represent the Character Counts Pillar of the Month. This is known as the 'Proud Pirate' celebration held at the end of each month. The names of all these students are listed in the Post as well. Honor Roll certificates are given out in each class. Ahoy Palencia Passengers and Crew Highlights Of The Week

SAC Survey responses continued...

When we did Honor Roll presentations, we were regularly having scheduling difficulties. It was suggested that these certificates should be handed out in the classrooms and have since then made that change. We believe that the awards held more meaning if they were distributed closer to the publication of report cards.

One comment was concerning the little use of the musical instruments. While we love the design of our school, one of the issues that we struggle with is the small size of the music and art room. This year as we integrated the use of the musical instruments we learned that having them constantly out for use was causing several problems. While we do use them as much as we can, we have began planning for next year to maximize the use of our instruments.
