Field Studies and Events

We are having a problem with families turning in forms and payment after the published due dates. This may not seem like a problem to just add one more, but it is taking away from instructional time and is causing problems. Deadlines are in place so we have time to do the necessary processing and communication to the places we visit or to the organizations that come to our school.

I am asking all teachers to stop accepting late registrations for upcoming Field Studies and Events. If there are any special circumstances where this may cause a hardship, please contact the teacher **well in advance** of the deadline date. A good way to stay informed of upcoming events is to be sure to read the teachers email or the grade level website. Thank you for your understanding.

Dress Code

As the weather gets warmer, please be sure to follow the school dress code. **Shoulders should be covered, shorts should be finger length and tennis shoes are highly recommended.** Our students are very active and run around during recess every day, please help your child avoid injury by making sure they are wearing proper shoes.

Bag-it-up

Please save all your usable items from your Spring Cleaning for the Goodwill drive happening Thursday, April 6th.

Have a great day,

Captain Allen Anderson
