Boosterthon

We would like to thank everyone for their help and support of our Boosterthon Fun Run. It was great to see all the family support we received. We would also like to send a huge thank you to our PTO for all the work they did to make it so successful. This year we had the option of our PTO taking on more responsibility in order for the school to retain more of the money that was raised. Thank you to all. I will be sharing a status on the Shade for the P.E. courts once we get all the bids back.

State of the School Address

I will be holding 3 meetings to discuss the big topics of PES. The recent changes are going to impact every child that attends PES. Your input is very important, so please try to attend one of the meetings. They will be held in the Cafeteria at the following times:

Monday, Sept. 19 6:30pm
Tuesday, Sept. 20 6:30pm
Thursday, Sept. 22 8:30am

Have a great week,

Christian's Clean-Up

Join Keepers of the Coast, Palencia Elementary, and Nease JROTC to remember Christian Meier and continue his work of keeping our beaches safe for sea life.

October 1st 1:00-3:00 P.M.
Surfside Park, Vilano Beach
3080 Coastal Highway

Dear Palencia Parents and Students,

I would like to invite all of you to our 1st annual "Christian's Clean-up" on Saturday, Oct. 1st, 1:00-3:00 P.M., at Surfside Park in Vilano Beach. We are partnering with Keepers of the Coast and Nease High School JROTC for this event.

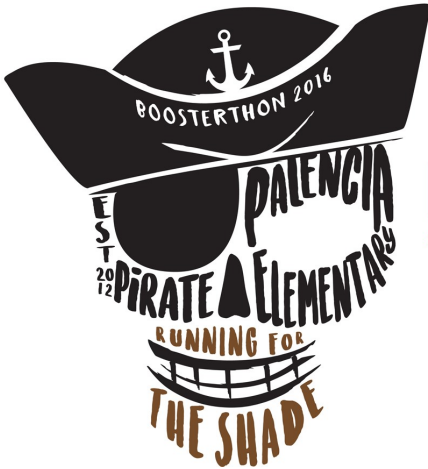

While I was a fourth grade teacher at Ocean Palms Elementary, I had the honor of teaching Christian Meier, an amazing student. Christian loved the outdoors and believed in leaving the world a better place than he found it. He helped our community through various service projects at school and got involved when he saw a need. Christian collected food for the food bank, cleaned up our beaches, and gathered blankets for our precious seniors at Bayview. Christian would have been a senior in the JROTC program at Nease this school year.

On July 6th Christian was on his way home from his summer job and was hit by a car. His life ended that day but the lessons Christian taught all of us sets a new standard for how to love and treat the people and the world around us. Our beach clean-up will be in honor of Christian Meier and will continue the work that he started. Please come out with your family and help us keep Surfside the beautiful place it is meant to be.

With appreciation,
Laura Simpson

"For the safety of our students, I would highly encourage all Palencia Elementary families to follow the school's recommended dress code. As our school is a very open campus, safety is a primary concern. Having all our students in the same color will greatly increase the safety of your child. Thank you for your consideration and cooperation."
