Friday - Spirit Wear

Grandparents Day Success

As a school of over 800 students our cafeteria serves on average 300 meals a day. During the two days of Grandparents Day the cafeteria served well over 1000 meals. Mrs. Damiano, her staff and the volunteers all did an amazing job in making these days such a success. Mrs. Damiano even came to school the next day to meet a group of students to decorate cupcakes in support of a local charity.

Classroom Happenings

We are always striving to do better and to continually improve. On a weekly basis our teachers gather to look at their craft and discuss ways in which they can improve. We recently received training on how to look at students and data differently than we have done in the past. I have been very impressed by the way in which our teachers have embraced this. Knowing that it is the right thing for our students, they have been moving ahead of pace to implement this process. We are all very thankful for our teachers and the staff that is going above and beyond to support them.

Have a great week,

Captain Allen Anderson
