THE CAPTAIN'S LOG

Ahoy Palencia passengers and crew,

I hope everyone had a wonderful Spring Break. I have heard many exciting stories of family activities from our students. Sounds like many had a wonderful time. It was very nice to hear from a couple students that they were happy to be back at school as they missed their friends.

Before break we began administering some of the assessments that we need to give. This week we administering the Art Assessment and 3rd and 4th grade will be taking the Math FSA on Thursday and Friday. Due to the FSA testing the upper decks (Orange and Yellow) will be closed Thursday and Friday morning of this week. These grades will be taking the Reading FSA Tuesday and Wednesday of next week, so the same decks will be closed on those days. Please be sure to read upcoming editions for future deck closings. With all the various assessments that we need to give we could use more proctors. Please see the PTO webpage to sign up for one of these opportunities. <http://palenciaelementarypto.weebly.com/>

Attached to the newsletter this week is an important flyer giving instructions to update your contact and student registration information. It is very important that this is completed for every child in 3rd and 4th grade. This should not take long and we appreciate your assistance.

Earlier today, Dr. Joyner sent out a letter to parents regarding assessments. A copy of that letter is attached. If you have any questions please contact me.

Please take the School Improvement Survey. It can be found at. <https://surveys.stjohns.k12.fl.us/TakeSurvey.aspx?SurveyID=86KMnmmM>

Enjoy your week,

Captain Allen Anderson
