Friday - Spirit Wear

Ahoy Palencia passengers and crew,

Don't forget that Thursday, being the last day of school, is an early dismissal day. All students will be dismissed at 1:50pm.

Thank you to everyone who volunteered during the Field Days. The events were a huge success, it was hard to tell who was having more fun, the students or the wonderful volunteers. This type of event is only possible thanks to the support that we get from our families.

We would also like to thank all of our families for all the support you give to our school. There have been so many of you around the building the past few days doing so many special things for our students and teachers. I would personally like to thank everyone for making these final days of the school year so special for the teachers. Teachers put a lot into their classes and their students. The reward is found in the students and the kind words and notes from the parents.

This summer the administrative offices will be remaining at PES. Please share this information with anyone you know with an incoming Kindergarten or anyone that will be new to our school. The earlier new students register for school, the sooner we can make sure we have all our staff in place.

We have sent an Alert Now to our 3rd - 5th grades to go into the Home Access Center (HAC) and update the Student information. Please be sure to do this, even if there are no changes there are a couple 'clicks' to be done so we know it has been updated.

Kindergarten through Second Grade Students need to return the Student Information Sheet that was sent home. It is very important that we have updated information on all our students. If you have any questions or need assistance please contact Cindy Williams at 547-4017.

It has been an honor to serve as 'Captain of the Ship' this year. Mrs. Fuller and I are both already looking forward to the return of our students in August. We hope you and your family have a safe and wonderful summer.

Captain Allen Anderson

School News

The St. Johns County School District's (SJCS) bus routes for the 2015-2016 school year were approved by the School Board at their May 12 meeting. The routes are available online at www.stjohns.k12.fl.us/transportation/routes.

Parents without access to computers may visit any of the county public library locations, and staff will assist them in locating the website.

In mid-July, postcards will be sent home to the parents of all potential bus riders giving them the bus stop, times and bus number for their students. The Transportation Department will operate 175 bus routes and transport approximately 60 percent of the district's students twice a day when school starts on Monday, August 10. For additional questions or information, call the Transportation Department at 547-7810.
