## Setting a Purpose, Vision, and Mission

After brainstorming and discussion in November, Palencia's School Advisory Counsel approved the official Purpose, Vision, and Mission statements for our school at their December meeting. These important statements encapsulate who we are at Palencia Elementary, and will help us chart our course going forward in this new year!

#### **Our Purpose**

Palencia Elementary children come to school excited to be innovative learners and leaders, to be respectful while individual needs are being met through a fun, engaging and rigorous curriculum provided by caring teachers and staff.

#### **Our Vision**

At Palencia Elementary we provide a welcoming environment that nurtures leadership-building, fosters a caring, inclusive setting, and creates joyful passion for life-long learning while combining the best of traditional instruction with contemporary technology.

#### **Our Mission**

Our mission is to build relationships with our community and local businesses, as we strive to develop educational programs that are environmentally conscious, aligned with district curricula, equitable and enriching for both students and faculty, yet inspiring creativity and driven by data.

# Spreading Holiday Cheer

The holidays were made much brighter for the 32 children we were able to help by providing them with toys, clothing and food for Christmas. Thank you for your generous support and care for our school community! Children were adopted by PES homeroom classes, Palencia community groups, a group at Flagler Hospital and PES staff members' families. Many thanks for the items donated from the Palencia Fun Run and thanks to Jared's Galleria of Jewelry for supplying teddy bears for our gift bags. Hopefully, we will be able make this an annual tradition here at Palencia Elementary.

## Read Around the Grocery Store

Palencia Elementary and Publix will be partnering to celebrate reading with a night of Reading Around the Grocery Store on Thursday, January 24th from 5:30-7:30 pm.

Parents and students are encouraged to come to the Murabella Publix to participate in a variety of fun reading stations throughout Publix. Children may participate in as many stations as possible to receive tickets that will enter them in drawings for \$5.00 book vouchers to be used at the spring book fair. Examples of station themes include "Real-Life Reading," "Reading to be Healthy," "Reading with Math," "Reading With Technology" and more. We hope you will come out to help us celebrate the love of literacy.

## Students in the News
