Middle and High school students and their parents are encouraged to attend the Program of Choice Showcase from 3:30-7 p.m. on Thursday, January 18 at the World Golf Village Convention Center. Programs of Choice are offered to support a student's interests, career plans, or advanced academic needs. A student who enrolls in a Program of Choice participates in theme-related classes over a multi-year time period. More than 40% of high school students in St. Johns County are enrolled in various Programs of Choice which include Junior ROTC, St. Johns County Center for the Arts, International Baccalaureate and Advanced International Certificate of Education and 19 Career Academy options.

Students and staff from each high school will be on hand to provide information and answer questions about the Programs of Choice offered at their schools. Information about program requirements and registration will also be available. Any student who meets an individual program's requirements and who can provide his/her own transportation may be approved to attend any high school, on a "space available" basis. For additional information about SJCS D Programs of Choice, please call the Career and Technical Education Office at 904-547-4870.
