Hello Pirate Families,

A couple of parents have approached us recently, expressing an interest in purchasing a device for their child to use at school. They wanted to make sure they were buying a device that met the school district's specifications / requirements and was in line with what Palencia Elementary was recommending for each grade level. The technical specifications are listed below:

Kindergarten and First Grade – i-Pads

iPad – Must be a iPad 4th Generation or higher (iPad Air, Air 2 or iPad Pro). Needs to be 9.7 inch Display or bigger.

Second*, Third, Fourth, and Fifth Grades – Laptops

Laptop – Must be Window 10 Operating System. Celeron or intel processor or better. 802.11AC WiFi or better. NO Chromebooks, they run on the Google Chrome Operating System and are not capable of connecting to our WiFi.

*Note: For the 2018-2019 school year, Palencia will recommend laptops for 2nd graders rather than i-Pads. If an i-Pad has already been purchased, that's all right. The student can still bring it.
