Dear Pirate Families,

This morning, I observed the student arrival process on Regalo Rd. I was very surprised to see students being dropped off in a car, in the road, for the little ones to then walk down the sidewalk to school. **All students arriving to school in a vehicle must be dropped off at one of our two parent car lines**, either the back loop for Las Calinas / Kensington or the main entrance. Student safety is our top priority. As our school continues to grow, know that I am continually looking for more efficient arrival and dismissal ideas that keep student safety at the forefront. Feel free to reach out to me with your thoughts or concerns.

A special thank you to all who helped proctor this week's 3<sup>rd</sup> grade Language Arts Florida Standards Assessment (FSA). Our students have been well prepared, beginning in Kindergarten, and each year leading to this point. End of the year FSA and i-Ready testing will continue through April and into May. We still have proctor openings. Visit <http://www.signupgenius.com/go/10c0c48aeab2aa7f94-fsaproctors1> to see what day / time may work for you. Proctoring gives parents excellent insight into the testing process and expectations. (Note – Proctors must serve in a DIFFERENT grade level as their personal children.) Our teachers and I look forward to welcoming more of you in the weeks ahead.

All 5th Grade students must have current residency documents on file from this year. This district requirement states that we must have these documents before they graduate PES. The teachers sent home papers requesting them back in January. Thank you to all who have submitted them. Anyone who still needs to submit these please do so as soon as possible. If you have any questions please contact our registrar Ms. Leddy at [Lauren.Leddy@stjohns.k12.fl.us](mailto:Lauren.Leddy@stjohns.k12.fl.us).

Together in Education,

*Captain Goodrich*
