BYOD

We held parent meetings last week concerning the BYOD program. We shared the evolution of the BYOD program and made sure all the devices could connect to our district wifi. If you were unable to attend our teachers can send home the steps you need to get a device connected.

Thank You -

Thank you to all who attended the Brusters Ice Cream Fund Raiser last week. We had a great time and were able to enjoy some great tasting ice cream.

Fore the Kids

We had a great time at the 4th annual Fore the Kids golf tournament. It is always a great event and one of the highlights of my year. Thanks to all those that worked to make this great event possible, to those that supported the event and to those that played. I'm already looking forward to next years event.

Have a great week,

Captain Allen Anderson

The **A.S.S.I.S.T.** program appreciates any and all support of this annual event which provides the majority of our funding for SJCS D homeless students and families. Last year, we served 895 students. As of today, we have already identified 400 students in need of assistance. This number increases daily, especially with the influx of Hurricane Irma and Maria refugees.
