### **Calendars**

The proposed calendars for school years starting in 2019 and going through 2022 have been posted for your input on the district website. Each year has an option A and an option B. One difference is whether or not we have school on Veterans Day, and how that effects other holiday breaks or the start of school. Please take a few minutes to review the calendars and provide your input. The deadline to provide your feedback is Oct. 27.

## Bus Loop Change

We are currently working on adding a sidewalk to the side of the school. We did a trial run on moving the buses last year, which went well. Once the sidewalk is in, we will move bus loading and drop off to the side of the building. This should help with some of our safety concerns when buses and cars are together. When we are ready to make this change we will send out more information in a separate letter.

Have a great week,

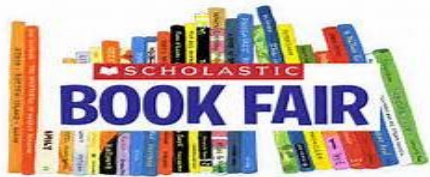

*Captain Allen Anderson*
