The first quarter ended on Oct. 13, but due to the hurricane, the publication of the report cards were delayed until the 31st. Please know that HAC is closed for a few days as teachers enter final grades. If you have any issues accessing your account on the 31st or after please contact [Mrs. Cindy Williams](#) for assistance.

Oct. 31 (Halloween)

We have a wonderful school tradition that began the first year PES opened. Each year on Oct. 31 we all dress in our favorite pirate attire for a school wide picture. Please know there is no need to purchase a Pirate costume, a red or black school shirt is often used on this day. We get the entire school together for a school picture, which will be displayed in the office area.

Future Calendars

The SJCSO is seeking comments on the proposed 2019-2020, 2020-2021, 2021-2022 school calendars. Survey links are now available on the school district website for community members to provide input on the calendars. The survey links can be accessed at <http://www.stjohns.k12.fl.us/calendar/proposed/> or on the school district's home page. Individuals are encouraged to submit any ideas, suggestions or concerns about the proposed calendars. Feedback will be collected through Friday, October 27.

Bus Loop Change

Just to provide an update, the concrete was not poured last week. The sidewalk was formed and we expect to have it ready for use next week. This should have little impact on our families as this should improve traffic flow and safety.

Have a great week,

Captain Allen Anderson

2017-2018 Instructional Materials Adoption - Science

The St. Johns County School District curriculum department representatives and adoption committee members are currently conducting the review process for the 2017-2018 Instructional Materials Adoption for Science. The materials listed in the chart below are available for review by our teachers and the public. The core resources that have been submitted for evaluation have come from the state adoption consideration lists. AP materials that will be reviewed are from College Board recommended materials.

Some print materials may be available for review. If you would like access to the available printed materials or require assistance reviewing the online resources, please call the Instructional Resources and Media Services office at 904.547.3947. Materials are available for review from 8:00AM – 4:30PM when district offices are open.

*(Click above to follow a link to access the resources or go to:
<http://www.stjohns.k12.fl.us/media/textbooks/adoption/>)*

*This document may be revised throughout the review process.
Please check back for updates.*

Please note the following Florida statute regarding instructional materials that pertains to parent input regarding adopted materials:

F.S. 1006.28 (1)(a)(3) Each district school board must establish a process by which the parent of a public school student may contest the district school board's adoption of a specific instructional material. The parent must file a petition, on a form provided by the school board, within 30 calendar days after the adoption of the material by the school board. The school board must make the form available to the public and publish the form on the school district's website. The form must be signed by the parent, include the required contact information, and state the objection to the instructional material. Within 30 days after the 30-day period has expired, the school board must conduct at least one open public hearing on all petitions timely received and provide the petitioner written notification of the date and time of the hearing at least 7 days before the hearing. All instructional materials contested must be made accessible online to the public at least 7 days before a public hearing. The school board's decision after convening a hearing is final and not subject to further petition or review.
