Show Your School Spirit!

Monday— Red

Tuesday—Black

Wednesday—Green

Thursday—White

Friday - Spirit Wear

Dear Pirate Families,

Please join us for **Math Night** this Thursday from 6:00-7:30 PM in our cafeteria. The evening of fun, educational math activities is sponsored by Mathnasium and our PTO.

The week of October 22nd will be busy! Our Book Fair kicks off Monday, October 22nd, school photo retakes will be on Tuesday, October 23rd, and report cards will be available online through HAC (Home Access Center) on Wednesday, October 24th. If you prefer a hard copy of your child(ren)'s report card, please notify your homeroom teacher.

Are you ready for "Dress Like a Pirate Day" on October 31st? All students are allowed to come to school in Pirate attire. NO other costumes. For those who choose not to wear a pirate costume, we suggest wearing red and black. Please make sure costume accessories are appropriate for school. There will still be PE classes this day so I suggest sneakers. Some students elect to bring a change of more comfortable clothes in case their costumes become bothersome.

Thank you for your continued partnership. Palencia Elementary would not be the same without YOU. Each day, I feel blessed to be surrounded by a school community that prioritizes learning and works for on-going successes for our students.

Together in Education,

Captain Goodrich

Resource Spotlight

Music/Drama News:

The music room is humming with lots of activities this fall! The intermediate classes (and a couple of 2nd grade classes) have been reviewing barred instruments and learning to play an arrangement of Beethoven's Ninth Symphony, 4th Mvt ("Ode to Joy") as ensembles. Fourth grade classes have just this rotation begun working on their grade-level musical, "Its Electrifying!", a show all about the history of electricity and how it works.

2nd grade classes are reviewing some basic music theory before we begin working on their musical. You may be hearing terms like *beat*, *meter*, *measure*, *strong* and *weak beats*, *waltz*, and *march*! Both kindergarten and 1st grade classes are learning about musical form, and how to tell when the different sections of a song begin or change. Ok, they did it by pretending to be giants and fairies, and it was so much fun! ☺

The Pirate Players are rehearsing for their fall play, "The American Revolution in 30 Minutes or Less" – it will be presented in early December. It is a very silly look at the beginnings of our country, with a lot of real history thrown in.

The Pirate Chorus is very full (118 members as of this writing!) and they are doing so well – I can honestly say I don't think we've ever had a group that **SOUNDED this** good! They are developing vocal control and concentration, and you can really hear how their hard work is paying off. Now that we are comfortable with the songs, we will focus more on the movement... which is challenging with this many pirates on stage!

Reunited & It Feels So Good!!!

We have so many bins of items in the lost and found. If your child is missing any jackets, water bottles, or lunchboxes please have them check. We are not able to store these items any longer.

Clinic News

It is that time of year again where we should remind our children that sharing brushes, hats and other personal items of that nature is not a good idea. Please reinforce this at home and check your child's head frequently!
