

Location: Media Center

Time: 4:00 (started at 4:01)

Co-chairs: Michael Clark, Kristen Morpew

Agenda:

- Welcome and Introductions
- Our Mission
 - We are a CREW setting SAIL into tomorrow's world
- Items for review:
 - SAC Budget- Funds can be used to help meet any goals on School Improvement Plan (conferences, travel, curricular resources classroom supplies)
 - Money from the state 2662.71
 - Money from School Recognition Funds 0
 - Total 2662.71
- Items for review:
 - Meeting Minutes
 - September 2023
 - Motion to approve-Mary Keller
 - Second-Laurel McMahan
 - All in favor, none opposed, motion carries.
- SIP for 2023-2024
 - School Advisory Council- sole body responsible for final decision making at the school relating to implementation of the following FL statutes:
 - Implement SIP and Accountability- SIP, early warning system, (students who may be at risk for underperforming related to academics, absences or more)public disclosure (SIP is a public document,
 - Implementation of state system of school improvement and education accountability. (The money that we receive can only be given from the state if we have a SAC.
 - SIP based on data- much data not available until end of the year, and SIP is due in the very beginning of each school year. Goals may already be determined, but strategies to reach goals are important to discuss.

- Four Areas of focus for the PES SIP this year.

Each member was given an opportunity to address 2 questions for each of these areas by using sticky notes. 1- What does the focus area mean to you 2- What are your questions or wonderings about them. (It was decided to go over one of these questions at each of the next SAC meetings.)

- Instructional Practice specifically related to benchmark aligned instruction. Teacher clarity of learning standards and outcomes, common formative and summative assessments, enrichment, or remediation.
 - *What can administration do to help teachers?* We will go to teachers to have this question answered.
 - *What are the best resources for remediation and enrichment?* Curriculum and curriculum maps have been updated and remediation and enrichment is built in. (Especially in math). District has provided a list for tools remediation and enrichment.
 - *Are there ways for parents to help out with learning at home?* Some grade levels send curriculum based letters in the beginning of each topics. QR codes on math practice pages offer guidance.
 - *This may not make sense to a non-educator.* Even for our educators, we all have to really have conversations to figure out what it says. BEST standards are new. As teachers we want to make sure that we understand the standards, use formative data (quick check in, discussion, checklist) and are gatherin summative data (end of unit mastery).
 - *Are all teachers provided the same instructional materials to teach the same unit?* Yes, but we are people and we all teach differently. Different classes work different ways, teachers need to know their students. End goal is the same for everyone, but the way we get there might not be the same. (You can't franchise student learning like we franchise burgers).
 - *This discussion will be continued, and we will use this to further plan SAC agendas. We will also get deeper into the following three areas of focus in the future:*
 - Transformational Leadership- Instructional practice specifically related to PLC
 - Positive Culture specifically related to student character thru CC and PBIS
 - ESSA subgroup specifically relating to students with disabilities
- Update from PTO
 - Mother and Son event was very successful.

- PTO trying something new this month for their meetings. They will still have their regular 8:40 AM meeting this week, but will also have a 6:00 PM meeting on Wednesday. This may help family members who cannot attend the morning meeting to have an opportunity to attend the meeting.
- Monday- Fore the Kids golf- 5 teams still available
- Next Thursday is family bingo. This event is free, no obligation to spend money. Just a good time, drinks and snacks.
- Next month dunk tank for Boosterthon reward. Admin will get dunked!!!
- Shade structures seems to be the direction that the PES staff would like to go in for playgrounds. Mrs. Rosenbaum attended a team leader meeting. She also looked into the Sun Structure grant, \$8000- getting info from previous PTO.
- Publix fundraiser for Pirate Bounty Program went well- \$2788.00 was raised.
- Your Pie Spirit day- 3rd Sunday of each month entire day. This month \$131.40 was raised. Next one is on 3 day weekend.
- Update from Principal Goodrich
 - Pirate Post- VERY long this month. 😊 Mrs. Galli puts together the pirate post. Take a look!!
 - 1st quarter ends on the October 13th
 - Teacher planning day October 16th- teachers work on report cards
 - Mrs. Flowers found volunteers for her media committee.
- Next SAC meeting 11/13/23
- Meeting finished at 5:02
 - Motion to adjourn: Amy Gramatges
 - Second- Clayton Johnston
 - All in favor, none opposed, motion carries.
